ARIZONA'S TAX EXPERTS

Enrolled Agents are the only nationally licensed tax professionals, fully authorized to represent taxpayers before the Internal Revenue Service in all states.

Enrolled Agents provide much more than just tax preparation. They are on your side for audits and tax problems. Many provide tax planning, well before the tax return is to be filed. Some provide guidance for new business start-ups and business consulting. Some Enrolled Agents offer bookkeeping, accounting, payroll services, estate planning, financial planning, or investment services.

Foremost, Enrolled agents are tax specialists. Whether for individual or business income taxes, payroll taxes, sales taxes, personal property taxes or estate taxes, look to an Enrolled Agent for a tax expert.
